The following shall be submitted with the deck permit application.

1. A site plan. A site plan is a bird's eye view of your property. The site plan shall include a North directional arrow, property lines, street(s), existing buildings, proposed deck location with dimensions. To be included are the distances to property lines, streets, and any other structures on the property to the proposed project.

2. A deck framing plan. A deck framing plan shows the layout of the primary structural system.

Hand drawn plans are accepted but the plans shall include sizing and locations of: joists, beams, ledger boards, posts, footings, and footing depth. An example worksheet is on the back side of this application if needed.

3. A signed cautionary statement.
